POLICE DEPARTMENT REPORT

I respectfully submit the following report on police services provided to the town by the Goshen Police Department.

Coping with problems on a 24 hour basis has been somewhat difficult being a part time police department.

The department responded to 112 calls and handled a total of 241 separate incidents.

A partial list follows:

Accidents	8
Traffic Violations	108
Burglaries	9
Thefts	6
Criminal Mischief	3
Dog Nuisances	40
Larceny by Check	1
Domestic Problems	4
Stolen Vehicles	2
Criminal Trespass	7
Littering	3
Harrassment	3
Truancy	1
Aggravated Assault	1
Disorderly Conduct	11
Resisting Arrest	1
Drug Laws	1
Discharging Fireworks	2

The above resulted in 75 court cases as follows:

Traffic Violations	42
Criminal Violations	18
Dog Problems	15

Approximately 50% of all incidents investigated, occurred as the result of routine patrol.

This was the first full year of implementing our radar unit. Under the guidance of the N.H. Highway Safety Agency and M.P.H. Industries, a program was set up by the Goshen Police Department, to introduce radar enforcement to the community.

Taking in account that we did not want to create a speed trap situation in our village, a sensible and deliberate approach was instituted in enforcing the speed limit through town. A total of 30 speeding tickets, 44 written warnings, and many verbal warnings were given to motorists in 1979. The trend for 1980 will be more patrol time and strict enforcement of the speed laws in Goshen.

The number of accidents investigated this year in Goshen was down to eight, as compared to twelve in 1977, and ten in 1978. All the reports were sent to the Department of Safety Integrated Accident Reporting Sub-System to be classified and researched, to determine the contributing factors of each accident occurring in Goshen.

Three new police officers were added, bringing the total to five part-time police officers. Sworn in were Linda Gentes, David Burnham, and Robert Seavey. Former Chief Roger Reed has agreed to stay on as a special reserve officer. Linda Gentes, Robert Seavey and I successfully completed police training at the Part Time Police Officers Training School at Keene State College. Linda Gentes and I also attended Radar Training School sponsored by the Hillsboro Police Department.

I wish to thank all the deputies for the many hours of volunteer time donated for training purposes, and to the citizens of Goshen for the support they have given the Police Department this past year.

Sincerely,

Andre L. Gentes, Chief of Police
Goshen, N.H.

REPORT OF THE FIRE DEPARTMENT

This year the Fire Department completed 40 years of service to the town.

In 1979 we answered 15 calls with 68 men responding, recorded as follows: Structure (1), Chimney (6), Smoke investigation (1), Mutual aid (2), Grass & brush (3), Electric wires down (1), Misc. (1).

Training classes this year included pumping, hose lines, fire streams, self contained breathing apparatus, toxic gasses, C.P.R., and cold weather fire fighting. Two members attended classes and received state certification. We also have a state certified instructor in the department.

The annual auction earned \$1,700.00 (net) in 1979 for our equipment fund. When you do your spring cleaning please remember our annual auction and give us a call if you have any saleable items you would like to donate. We pick up year round.

Edith Pike left the fire department a gift of \$500. "Peggy" has always been a supporter of our activities but little did we know, how much she thought of the department.

Again in 1979 we co-sponsored a fire prevention contest with students at Goshen-Lempster School participating in coloring, posters, and essays.

Cash prizes and hamburger certificates were awarded to the winners.

Please accept my sincere thanks to the firefighters, telephone dispatchers, auctioneers, auction helpers, town officials and to all citizens and tax payers of Goshen for the many hours of help and cooperation given to make the Goshen Fire Department a very effective service to the town.

Respectfully submitted,

Edwin I. Baker, Chief

**REPORT OF FOREST FIRE WARDEN
AND
STATE FOREST FIRE SERVICE**

Prevention and control of forest fires is handled through a cooperative effort between town/city fire organizations and the State Forest Fire Service.

Since 1903, when the first forest fire laws were passed by our Legislature, the State Forester has appointed someone in each municipality as a Forest Fire Warden and charged him with the responsibility of forest fire prevention and control within his town/city. This person may ask the State Forester to appoint as many Deputy Forest Fire Wardens as may be necessary to efficiently carry out his charge.

The State Forester has divided the State into ten forest fire districts with a full time District Forest Fire Chief in each district. The State organization is charged with assisting the municipal forest fire organization in any way possible.

State personnel conduct fire training schools, assist with forest fire suppression, fire cause investigation, prosecution of fire law violators and forest fire prevention programs. Forest fire suppression equipment is purchased through State bulk purchasing ability and sold to local forest fire organizations at one-half cost. Excess military property is obtained and turned over to town/city fire departments at no cost to local departments for conversion into fire suppression writs. This cooperative arrangement between State and municipality has resulted in one of the best forest fire records in the United States with less than one-half acre of woodland burned in each fire reported.

REPORT OF THE OLIVE G. PETTIS LIBRARY TRUSTEES

During 1979 the regular meetings of the trustees have been held in January, April, July and October. Meetings are held at the library on the second Saturday of the above months.

The Bookmobile has continued to make regular trips to the library bringing both adult and children's books.

A flag and staff were purchased for the interior of the library with funds from the friends of "Peggy Pike".

The outdoor flagpole was painted by Charles Pearson who gave his time to do this service for the library.

Two yew trees were purchased for the lawn by the Friends of the Library. The Friends also paid for the snow removal during the winter.

A Book Fair was held in July sponsored by the Friends of the Library. The trustees served lunches in the library to help them. A number of volunteers helped with the fair and also gave books and magazines.

Miss Margaret Kingston, Librarian, has purchased some very fine books throughout the year, taking advantage of the sale at the Dartmouth Book Store, Doubleday Book Club, Book of the Month Club and the Publisher's Central Bureau.

Regular meetings of the Historical Society and the Friends of the Library have been held at the library.

Special displays at Old Home Day were set up as well as DAR displays and others during the year. An interesting Adult Art Show was also conducted at the library on Old Home Day.

Several books and jigsaw puzzles have been donated to the library by interested citizens. These can be borrowed at any time.

Library hours remain the same as last year: Monday - 3:00 to 6:00 p.m., Wednesday - 7:00 to 9:00 p.m. and Saturday - 9:00 to 12:00 noon.

Miss Kingston submitted the following petty cash report which she has charge of during the year:

NEWPORT AMBULANCE SERVICE

The Newport Ambulance Service answered 477 calls during 1979. The ambulance service, the vehicles and the crew members are all licensed with the state and meet all regulations. The members are licensed "Emergency Medical Technicians," and Advanced Red Cross members.

Coverage to the area towns has continued this year. Each town that we have covered with service has helped to support the ambulance service with tax assistance based on population at \$2 per head. The ambulance service hopes to continue service to all communities in our area again in 1980.

The ambulance service has also responded to all major fires, in all communities. This is added protection of life and limb to all concerned.

The Newport Police Department has continued to serve as our dispatcher and has proven very valuable to our service and response time. Our telephone number for emergencies is 863-3232.

The crew consists of: Royal Wallace, III, Director; Albert Gobin; Orren Barton; Tom Clough; Gordon Blood; Babe Frye; Steve Brooks; Sandra Wallace; Larry Gobin; Warren Jensen; Kenneth Merrow; Linda Jensen; Gail Ford; Joyce Merrow; Keith Gregory and Betty Dupont.

GOSHEN HISTORICAL SOCIETY REPORT

The Goshen Historical Society has held four regular meetings in 1979. One each in January, April, July and October, meeting the second Tuesday of the month. The officers in 1979 were President, Rev. Ronald G. Whitney of Springfield, Mass., Vice-President, Mrs. John Killoran, Secretary, Mrs. Arthur Nelson, and Treasurer, Arthur Nelson. Directors were Thomas Durham, Ivan Scranton and Mrs. John Newman.

The Society sponsored a Flea Market in February and the Old Home Day celebration in October. The Country Fair and the Children's Art Show at the Town Hall were well attended as was the Adult Art Show held at the Olive G. Pettis Library. The Sunapee Mountain Grange served a Harvest Supper and a program by Charles Thompson, Canterbury, on Indian artifacts and folk songs was presented at the Town Hall in the evening. Hikes to the Franklin Pierce Lead Mine and the Chandler Road were taken in the morning and a visit to Mummery Brook and to the Benjamin Rand Home were part of the afternoon program. The Firemen held open house as part of the program, also.

On Sunday, Rev. John Barlow and Rev. Whitney shared in a service at the Community Church in the morning. At 2:00 p.m. Rev. Barlow conducted a service dedicating the new Parish Hall at the church and refreshments were served in the Hall following the service.

All events on Old Home Day were free to the public, as in past years, except the lunches and the Harvest Supper. Invitations were mailed to over 250 people who once lived in Goshen as well as to the citizens of the town. Those wishing to be on the mailing list should contact one of the officers of the Society. Everyone is welcome and urged to attend the meetings and to join the Society at any time.

The Society is grateful for the use of the library for its four meetings each year and for its space for displays throughout the year and special displays at Old Home Day. We thank the librarian for her cooperation and help.

STATUS OF THE NH/VT SOLID WASTE PROJECT

Progress continues to be made in the NH/VT Solid Waste Project. S.C.S. Engineers, of Augusta, Maine presented their final report in May. The report identified four potential industrial stream users in Claremont, New Hampshire and indicated that combustion with steam recovery was feasible. This was encouraging, because at a recent public meeting, officials from New Hampshire and Vermont indicated that the long term cost of landfilling would increase rapidly.

In September, the Project received a \$100,000 grant from the U.S. Environmental Protection Agency. The \$35,000 budgeted by the 25 participating communities was used to match the Federal funds, and a 17 month Phase II effort was initiated. Ted Siegler, an economist and solid waste management specialist, was hired on October 1st as Project Manager, and is responsible to a Project Management Team composed of the Sullivan County Engineer, Southern Windsor County Regional Commission Executive Director, and the Claremont City Manager. An office was established at Room 342 in the Moody Building, in Claremont, New Hampshire.

Control of the Project now officially rests with the NH/VT Solid Waste Planning Committee. Headed by Stanley Williamson of Goshen, New Hampshire, Chairman, and Wesley Hrydziusko, of Windsor, Vermont, Vice Chairman, the Planning Committee meets bi-monthly to direct the Project Management Team. Each of the 25 communities in the study area has at least one representative, with voting based on solid waste generation. Two sub-committees have also been established to work more closely on the technical and organizational issues.

A formal request for proposals has been released in an effort to hire engineering and economic consultants. It is expected that consultants will be working by May 1st, with a draft report in October and a final report in December. The Organizational Sub-Committee will also begin meeting shortly to draft a long-term cooperative agreement between all of the communities. Voters will be asked to decide whether to commit themselves to the project at the next Town Meeting, based on results of the consultant reports and the Organizational Sub-Committee work.

REPORT OF HEAD TEACHER

Along with the growth and change of the Goshen-Lempster School comes new personnel and new school programs. September of 1979 brought the inception of the Artists in School program at Goshen-Lempster. The A.I.A. program places professional artists in educational settings, involving students in the creative process. The activity is sponsored by the New Hampshire Commission on the Arts (National Endowment) and the Goshen-Lempster School District. This year, painter Jerry Pfohl has been working with students making and using egg tempera paint in acrylics. He is scheduled with each classroom for a five week period for two days per week. At the end of each five week period the class spends a day at Mr. Pfohl's studio participating in such activities as drawing at an easel, sculpturing in soapstone, and producing etchings.

There were new faces among the faculty in September. Mrs. Longnecker (grades 4 and 5) was succeeded by Mr. Conrad Ekstrom, a fourth year teacher from Tilton, New Hampshire. Mrs. Mary Reasso of Lempster (currently employed by CETA) aids Mr. Ekstrom in his classroom. Mrs. Cynthia Fellows (Special Education) was replaced by Mrs. Marcia Harrison who formerly worked with learning disabled children in the Acton, Massachusetts, Public School System. Mrs. Lillian Bryce of Marlow, New Hampshire, assists Mrs. Harrison as a classroom aide.

With the increasing number of students, the need of classroom aides has become necessary in order to increase the efficiency of the teacher. The staff members who have the benefit of aides exhibit enthusiasm over the additional amount of time that has become affordable to each student. The staff all agrees that increasing the quality of education is an ongoing venture.

The sixth, seventh and eighth grades participate in a rigorous curriculum which prepares them for the responsibility of further study and adulthood. They receive their daily assignments for which they are held strictly accountable. The scholastic program is structured in such a way that it is non graded, and the student studies at a level for which he is capable. The attainment of a new level may occur at any time during the school year.

First hand observation of the activities of the world enable the student to enhance his perspective. Organized school trips certainly contribute to this end. Miss Bradeen and Mrs. Rickard accompanied the first, second and third grades on a trip during May to the Lebanon Regional Airport where the students were escorted first through the Federal Weather Station and then to the Control Tower where they watched planes taking off and landing. After enjoying a picnic lunch, they traveled to the Hanover Fire Station and then to the Montshire Museum where they saw many interesting science exhibits.

On the weekend of September 22nd, Mr. and Mrs. Harrison and Mr. and Mrs. Bonfiglio accompanied a group of eighth grade students to the island of Nantucket. The trip (an activity designed to enhance the group's literary study of **Moby Dick**) included a tour of Nantucket's Whaling Museum.

On October 20th, Mr. Harrison, Mr. Bonfiglio, and several parents accompanied the sixth, seventh and eighth grades to Sturbridge Village in Massachusetts. The excursion was intended as a learning experience, providing a realistic look at rural life during the mid-nineteenth century.

On November 13th, Mr. Ekstrom and Mrs. Reasso traveled with the fourth and fifth grades to the Vermont Public Radio Station and the Windsor U.S. Post Office. The main thrust of the visit was toward career development with the linking of skills acquired in school - writing, spelling, math and language arts.

Extracurricular activities serve to diversify the scholastic program and broaden the student's school experience. On January 4th, Mrs. White of the New Hampshire Public Service Co. presented a Junior Energy Conservation Program to Mrs. Longnecker's fourth and fifth grade class. The program consisted of an activity on "how to read your meter at home to check your own use of power" and a film strip on **Where Energy Comes From**.

During February, Mrs. Ruth LeClair and Mrs. Dorothy Goldberg directed a sixth, seventh and eighth grade theatrical production entitled **The Ransom of Red Chief**. Three performances were given at the school at which the seventh grade provided refreshments.

On the evening of the Goshen-Lempster School Meeting at the school, the eighth grade class sponsored a lasagne supper for the voters. Under the guidance of Mrs. Linda Smith, the students planned the meal, made purchases, cooked the food, and made arrangements for seating, serving and clean-up.

On April 13th, Miss Bradeen's class produced two plays from their reading books for other members of the school and parents. The second grade presented **The Birthday Cake** (directed by Mrs. Rachel Tirrell) and the third grade presented **Manwick Goes to Town** (directed by Miss Bradeen).

Also during April, Miss Bradeen's class reseeded the front portion of the school lawn and planted a flower garden.

Several of our students had their art work published in the New Hampshire Music Educator's Association monthly publication. Mr. Alan Peterson (music teacher) conducted the students' participation. Robin Johnson (sixth grader of Goshen) had her illustration chosen for the cover design. Other illustrations chosen were by Dana Collette (seventh grader of Goshen) and Kim McElreavy (sixth grader of Lempster).

On June 14th, Mrs. Longnecker's fourth and fifth grade class presented two one-act plays - **Drop It** and **The Wonders of Storybook Land**. Parents and other students were in attendance.

On June 2nd, Mr. Harrison and Mr. Bonfiglio accompanied the Eighth Grade Class to Riverside Amusement Park in Agawam, Massachusetts. The trip was in celebration of their past eight years as classmates, for soon the group would be dispersed, and friendships would become more distant.

On the evening of June 19th, the 1979 Goshen-Lempster graduation exercises were held at the Lempster Town Hall. The Reverend John Barlow gave the Invocation and the Benediction. The Valedictorian was Susan Collins and the Salutatorians were Shane Grace and Vickie Parker. Immediately following the exercises, the PTC held a reception for the graduates at the Lempster Grange Hall.

During October, the second annual Goshen-Lempster Art Show took place as part of the Goshen Old Home Day festivities. The display of student art works was arranged by Mrs. Jan Struble (art teacher) and Mrs. Nancy Wallace of Goshen.

On October 12th, the Goshen and Lempster Fire Departments (Chiefs Ed Baker and Philip Tirrell) visited each classroom with a fire prevention program consisting of a film and some literature. A fire safety contest was held, and prizes were awarded to winners.

Also during October, the Parent Teachers Club met with faculty members in order to acquire ideas about a fund raising goal geared toward providing playground equipment for the school. Several purchases were suggested and chosen, and the decision was made to erect the equipment during the Spring of 1980.

Growth and change continues to be a major influencing factor in the operation of the Goshen-Lempster School. Periods of transition present challenges, but these challenges are being met by the force of determination and dedication. All of the people associated with the school, and especially the members of our school board, continue to pour relentless energy into solutions toward reliving Goshen-Lempster's growing pains. By the virtue of such dedication, the school will undoubtedly continue to provide the best possible education for the children of our community.

Respectfully submitted,

John Bonfiglio, Head Teacher

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of the Goshen-Lempster Cooperative School District:

ENROLLMENT . . .

The present student body totals 139 in Grades 1-8. Grades 1-5 are taught in three classrooms - each with double grade combinations:

Grades 1 & 2	26 pupils
Grades 2 & 3	33 pupils
Grades 4 & 5	36 pupils

These are all in excess of the Elementary Standards established by the New Hampshire Department of Education which are:

Grades 1 & 2	25 pupils MAXIMUM
Grades 3 - 8	30 pupils MAXIMUM

The employment of Aides in some rooms is a help to the teacher. However, it is not as satisfactory a teaching situation as a lower pupil-teacher ratio as established by State Minimum Standards. Obviously, space is the problem as there are presently no classrooms available to make it possible to run smaller classes.

Sixty are attending high school: 10 at Sunapee; 2 at Claremont, 1 at Stratton Mountain; and 47 at Newport.

Indicates the amount of taxable property behind each pupil.

While Goshen-Lempster stands in the top quarter of the state in terms of taxable property behind each pupil (36th out of 154 Districts), Goshen-Lempster spends an amount on each elementary pupil that falls in the lowest quarter of the school districts in New Hampshire (128th out of 154).

BUILDINGS PROPOSAL . . .

The 1979 Annual Meeting did not approve a \$95,000 improvement project. The School Board was directed to continue a study of school needs.

The architectural firm of Banwell, White & Arnold, Hanover, N.H. has presented a series of eleven different proposals. Over the last few months several public meetings were held to obtain input and direction from the citizens of both communities. As a result, a 20-year master plan for the renovation and addition to the Goshen-Lempster Cooperative School has been accepted by the School Board. This plan provides for an additional classroom, an activities/ multi-purpose room, an enlarged library and kitchen area, special education and related support services areas, and a new more practical roof system. Many energy conservation measures have also been included in the project to provide a more energy-efficient building.

A Warrant Article calling for borrowing \$332,900 over a 10-15 or 20 year period is included for your consideration. Forty per cent (40%) of this amount (\$133,160) would be received from State Building Aid. Therefore, the net cost locally would be \$199,740 plus interest charges - to be paid off over the period of the bond issue (10-15-20 years).
